

Welcome to Center Lane!

We are a community center for lesbian, gay, bisexual, transgender, queer and questioning youth and their allies ages 13-21.

Center Lane is open afternoons and evenings as a drop-in center—a place to hang out, talk about what's on your mind, play games, do homework or just chill.

At Center Lane, you can take part in yoga classes and support groups, attend social events—including our fabulous annual Gay Prom—check out our field trips (to Six Flags, Jones Beach, ice skating, theater and more), help us present anti-bullying/pro-diversity workshops at schools and join us for Pride marches and lobbying events in support of LGBTQ issues.

We have two locations:
