

HELP MAKE

A SAFE PLACE

PRIDEWORKS
for **LGBTQ** Youth
and their Allies

EXPRESS YOURSELF!!

- *State your opinion politely without attaching the opinions of others.*
- *Avoid anti-gay, racist, sexist, and other offensive language.*

RESPECT OTHERS!!

- *Listen quietly to the opinions of others – even if you do not agree.*
- *Remember: there are no stupid questions.*
- *Expect and tolerate individual differences – in dress, in speech, in comfort level, and knowledge of ‘all things LGBT.’*
- *Keep things friendly – this is an educational conference, not a dating scene.*

BE IN THE RIGHT PLACE AT THE RIGHT TIME!!

- *Remain in your workshop during the educational session – not in the hallways and other areas.*
- *If you become uncomfortable with the subject matter in a workshop, please find a PrideWorks staff member or go to the Registration Table.*
- *Remain **AT** the PrideWorks Conference and **INSIDE** the County Center until your group leaves at the end of the day.*
- *We are guests of the Westchester County Center. Please follow the rules and directions of the facility and its staff*

THANK YOU FOR YOUR COOPERATION!!!
