

**Parents, Families and Friends of Lesbians and Gays (PFLAG)**

is a national non-profit organization with over 200,000 members and supporters and over 500 affiliates in the United States. This vast grassroots network is cultivated, resourced and serviced by the PFLAG National Office, located in Washington, D.C., the national Board of Directors and 13 Regional Directors. Our local chapter is PFLAG-Westchester.

**Our Vision** PFLAG members celebrate diversity and envision a society that embraces everyone, including those of diverse sexual orientations and gender identities. We believe that only with respect, dignity and equality for all will we reach our full potential as human beings, individually and collectively. PFLAG welcomes the participation and support of all who share in, and hope to realize this vision.
